**NOTICE OF CONTINUED PERFECTION
OF MECHANICS LIEN PURSUANT TO 11
U.S.C. § 546(b)(2)**

Tehama County (Lien 2019001053)

Barnard Pipeline, Inc. ("Barnard"), by and through its undersigned counsel, hereby gives notice of continued perfection of its mechanics lien under 11 U.S.C. § 546(b)(2), as follows:

1. Barnard has provided and delivered labor, services, equipment, and/or materials for the construction and improvements of projects located in the County of Tehama, State of California (the "Property"), the legal description for which is set forth in the Claim of Mechanics Lien, a true copy of which is attached hereto as **Exhibit A** (the "Mechanics Lien").

2. The Property is owned by PG&E Corporation and/or Pacific Gas and Electric Company (collectively, the "Debtors"), which filed voluntary petitions for relief under Chapter 11

1 of Title 11 of the United States Code (the "Bankruptcy Code") on January 29, 2019 (the "Petition
2 Date").

3 3. On January 28, 2019, before the Petition Date, Barnard properly and timely recorded
4 its Mechanics Lien under California Civil Code § 8400, *et seq.* in the Official Records of Tehama
5 County, State of California.

6 4. Through January 28, 2019, the amount owing to Barnard subject to its Mechanics
7 Lien is at least \$418,088.23, exclusive of accruing interest and other charges, and additional
8 amounts which have continued and are continuing, to accrue after the Petition Date.

9 5. California Civil Code § 8460(a) provides that:

10 The claimant shall commence an action to enforce a lien within 90
11 days after recordation of the claim of lien. If the claimant does not
12 commence an action to enforce the lien within that time, the claim
of lien expires and is unenforceable[.]

13 6. Pursuant to California Civil Code § 8460, an action to enforce a lien must be
14 commenced within 90 days after recordation of the claim of lien. However, section 362 of the
15 Bankruptcy Code automatically stays Barnard from filing a state court action to enforce its
16 mechanics lien. *See* 11 U.S.C. § 362.

17 7. Section 546(b)(2) of the Bankruptcy Code provides that when applicable law

18 ... requires seizure of such property or commencement of an action
19 to accomplish such perfection, or maintenance or continuation of
20 perfection of an interest in property; and ... such property has not
21 been seized or such an action has not been commenced before the
22 date of the filing of the petition; such interest in such property shall
be perfected, or perfection of such interest shall be maintained or
continued, by giving notice within the time fixed by such law for
such seizure or such commencement.

23 *See* 11 U.S.C. § 362; *see also Village Nurseries v. Gould (In re Baldwin Builders)*, 232 B.R. 406,
24 410-11 (9th Cir. 1999); *Village Nurseries v. Greenbaum*, 101 Cal.App.4th 26, 41 (Cal. Ct. App.
25 2002).

26 8. Accordingly, Barnard hereby provides notice of its rights as a lienholder in the
27 Property pursuant to California's mechanics lien law. Barnard is filing and serving this notice to
28 perfect, preserve, maintain, and continue the perfection of its lien and its rights in the Property to

1 comply with the requirements of California state law, 11 U.S.C. §§ 362(a), 362(b)(3), and
2 546(b)(2), and any other applicable law. This notice constitutes the legal equivalent of having
3 recorded a mechanics lien in the recorder's office for the county where the Property is located and
4 then having commenced an action to foreclose the lien in the proper court. By this notice, the
5 Debtors and other parties in interest are estopped from claiming that the lawsuit to enforce
6 Barnard's mechanics lien was not timely commenced pursuant to applicable state law. Barnard
7 intends to enforce its lien rights to the fullest extent permitted by applicable law. The interests,
8 perfected, maintained, or continued by 11 U.S.C. § 546(b)(2) extend in and to the proceeds,
9 products, offspring, rents, or profits of the Property.

10 9. The filing of this notice shall not be construed as an admission that such filing is
11 required under the Bankruptcy Code, the California mechanics lien law, or any other applicable
12 law. In addition, Barnard does not make any admission of fact or law, and Barnard asserts that its
13 lien is senior to and effective against entities that may have acquired rights or interests in the
14 Property previously.

15 10. The filing of this notice shall not be deemed to be a waiver of Barnard's right to
16 seek relief from the automatic stay to foreclose its mechanics lien and/or a waiver of any other
17 rights or defenses.

18 11. Barnard reserves all rights, including the right to amend or supplement this notice.

NOTICE OF MECHANICS LIEN

ATTENTION!

Upon the recording of the enclosed MECHANICS LIEN with the county recorder's office of the county where the property is located, your property is subject to the filing of a legal action seeking a court-ordered foreclosure sale of the real property on which the lien has been recorded. That legal action must be filed with the court no later than 90 days after the date the mechanics lien is recorded.

The party identified in the enclosed mechanics lien may have provided labor or materials for improvements to your property and may not have been paid for these items. You are receiving this notice because it is a required step in filing a mechanics lien foreclosure action against your property. The foreclosure action will seek a sale of your property in order to pay for unpaid labor, materials, or improvements provided to your property. This may affect your ability to borrow against, refinance, or sell the property until the mechanics lien is released.

BECAUSE THE LIEN AFFECTS YOUR PROPERTY, YOU MAY WISH TO SPEAK WITH YOUR CONTRACTOR IMMEDIATELY, OR CONTACT AN ATTORNEY, OR FOR MORE INFORMATION ON MECHANICS LIENS GO TO THE CONTRACTORS STATE LICENSE BOARD WEB SITE AT www.cslb.ca.gov.
